The above person is supporting their local community through undertaking the above pledge in order to raise funds for Scarborough Disabled Swimming Group. Currently, only 16.8 per cent of disabled people take part in sport or exercise for 30 minutes once a week, compared to 39.9 per cent of non-disabled people. SDSG is helping to change this through delivering opportunities for people with disabilities (and their family/carers) to get active and by improving the accessibility of Scarborough Sports Village in partnership with Everyone Active and Scarborough Borough Council. SDSG has nearly 200 members from all over the Borough of Scarborough and the surrounding districts. Remember, the east coast has the highest number of residents with a disability in the UK. Can you help SDSG to support the local community?
